BGGs is opening two levels of its large **CLC carparks** on debating nights from 4.00 pm till 8.30 pm for debating parents who wish to (a) park and watch a debate or (b) park on site and collect their children after the debate, thus avoiding the limited space outside the school.

To get in to park or wait, drive down **KALINGA LANE** from the left-hand side of the school and drive down the hill to the bottom to access the (red square areas) carparks.

Debating is in G Block – follow the red line.
